

### 15.1 MINI MOTOCROSS

**Introduction:** Mini riding is intended to be an introduction to off road motorcycling sport, providing an outlet for youthful energies under controlled conditions.

Mini Motocross has age appropriate bikes, along with bikes having to be homologated. The age appropriate bikes along with the homologated bikes can be found on the MNZ Website

For more information about Homologation refer to Appendix C

Entering the sport of Motocross may be new to many, it is important that you read this Chapter and also make reference to Chapter 8 which advises of all Safety Gear that is required.

Motorcycle Clubs are expected to take full responsibility for the training of prospective Mini riders and for the adequate control of races. In larger clubs it would probably be desirable to appoint a Mini Competition Committee. Parents are also expected to guide and assist their children to participate safely in and enjoy the sport. Clubs are expected to operate training sessions covering all aspects of riding and regulations pertaining to Mini competition.

### 15.2 Licencing:

To encourage new riders into the sport, a new rider from the age of 4 years old can compete at two events at Club level only, using a free one event licence supplied by the Club. These licences can be filled out & signed by the legal guardian of the child.

For more information regarding Licencing, refer to Chapter 5.

### 15.3 **After the two free rides mini competitors are required to have an MNZ Mini licence.** Applications are made via the office of MNZ, or by way of online application. A birth certificate is required with a first time application.

The application form must be endorsed by a parent or legal guardian. Note that parents or legal guardians can restrict licences simply by drawing lines through the classes they do not approve of on the application form.

Mini Competition Licences can be only issued for the following types of competition: Motocross, Miniature TT, ATV, Gymkhana, Flat Track, Grass Track.

**Before competing in a New Zealand National, North or South Island, or New Zealand Grand Prix event, a rider must have competed in at least SIX MNZ permitted club events (three for ATV).** Proof of this shall be from entries in the riders log book and can include up to a maximum of three one event licences (one for ATV). The original copies of the licences must be supplied – no reproduction copies.

- 15.4 **The goals are to:**  
A: Encourage and support our young riders  
B. Give an introduction to motorcycle riding in the disciplines  
c. Undertake training, coaching and fun days events  
D. Give an introduction to the spirit of racing

It is an ideal stage for Clubs to introduce and educate young riders and their parents into the sport thus encouraging club participation and ensuring that our new mini riders are at least conditioned and have some understanding of the sport.

- 15.5 The Manual of Motorcycle Sport of MNZ apply. Rules not covered in this chapter may be found elsewhere in the 'Manual' (eg, Conduct of Competition Chapter 6 and Safety Gear Chapter 8, Look at the Chapter Index for others).
- 15.6 **From age 8 a mini rider may, without affecting their mini status, compete in a non-championship junior competition on either a mini 65 class or junior 85 class machine.**  
**If a Steward considers that a mini rider is not competent enough to ride in junior competition, they may direct that rider to return to mini competition. Prior to competing as a Junior at a New Zealand or Island Championship or the NZMXGP, a Mini rider must first upgrade to a Junior licence and is no longer eligible for Mini competition.**
- 15.6a **Overseas/visiting riders aged 8 years old and above (at the date of the event) cannot compete in Mini Competition. These riders can compete, with the correct licence/starting permission in Junior Competition in the correct age and capacity class.**
- 15.7 When a mini licence holder reaches 8 years they may remain as a mini until their 12th birthday, or they may return their mini licence for a junior licence. For more information regarding Junior Motocross please refer to rule 15.18
- 15.8 **Mini Riding Classes:** These are as outlined in Appendix A. All motorbikes taking part in Mini Motocross must be Homologated, for more information about Homologation refer to Appendix C Homologated bikes can be found on the MNZ website.
- 15.9 a) Mini competitors shall compete in age groups. Subject to rule 15.9.(b), except for those turning 12, the age of a mini competitor on the first day of an event or series shall determine their age group for that event or series.  
b) If a mini competitor's birthday falls during an event or series, (s)he may commence and complete that event or series in the new age group. However, nothing in this rule shall allow a mini competitor to ride a capacity or type of mini machine under age.
- 15.10 **Maximum number of starters:**  
The number of starters in any one class can be up to 20. However, if the circuit meets the following criteria a maximum of 30 is permitted.

All start lines must provide for a single row start, with a minimum of 1 metre between each bike. Measured from wheel to wheel. (500mm for ATV's). The first one hundred metres of the circuit from the start should be where the terrain allows no less than half the width of the start line and the rest of the track to be a minimum of four metres, except in a chicane for lap scoring purposes.

15.10a **Starting:** Stationary with motor running behind either, backward falling independent start gate or elastic barrier cord or flag.

15.11 **Track Specifications:**

Before any mini track is used for mini competition the Steward in conjunction with the Clerk of the Course shall inspect the track to ensure that it is safe and complies with the following requirements.

- Tracks may be laid out over natural or man improved terrain.
- The track must be rideable for all competitors and classes. Note: Mini competition is primarily about encouraging participation and tracks should not be overly technical or difficult so as to discourage participation. The track may however have separate sections/extensions that are more challenging for older age groups/classes.
- Where practicable, the edge of the track must be at least 3 meters away from any fence, post, tree, vehicle, or ditch, or any other object, structure or feature ("a hazard") that is likely to cause injury if ridden into. The edge of the track may be within 3 meters of a hazard if the hazard is able to be safely eliminated by using a safety barricade (eg: a wool bale filled with plastic milk bottles).
- All potential problem areas must be identified and designated as a yellow flag station and must be manned at all times during practice and racing.
- The start line shall be sufficiently wide to accommodate the number of starters as per rule 15.10
- The lead up to any jump of more than 1 meter, man made or natural terrain must not exceed 20 meters unless a chicane is included in a straight that is longer than 20 meters leading up to the jump..
- If backward falling independent start gates are being used, the height shall be checked to ensure they are safe if a rider starts prematurely (Note: this is particularly important if senior start gates are being used with Mini Motorcycles).

Note: Where practicable, the first corner after the start should be a left hand corner to enable use of the foot brake.

15.11a A mini track may include the following, jumps, whoops, berm'd turn's (up hills & down hills if natural terrain) provided that a Clerk of the Course & Steward are satisfied & deem these obstacles not to be dangerous.

15.11b 65cc class machines may race on a senior track provided that, in the opinion of the Steward in conjunction with the Clerk of the Course it is safe to do so and the track is rideable for all competitors in the class.

- 15.12 **Race Specifications:**  
Race duration not to exceed 10 minutes with a maximum of 6 races per competitor, per day.
- 15.13 No prize money for racing.
- 15.14 **Rider Assistance:**  
This is limited to lifting a fallen rider's machine only and pointing it in right direction and restarting the motor. No outside pushing is permitted to assist the rider.
- 15.15 Side-stands must be removed from all motorcycles in mini riding events.
- 15.16 Tether kill switches on ATV's to be fitted in accordance with rule 11.2e
- 15.17 **National Events:**  
New Zealand Nationals, North Island or South Island and New Zealand Motocross Grand Prix. Classes see Appendix A
- 15.17a At a National, North Island or South Island or New Zealand Grand Prix Event, where riders exceed the 30 gate start, qualifying will take place to determine the top 30 competitors. The remaining riders will then ride in a support class.
- 15.17b At a New Zealand National, North or South Island or New Zealand Grand Prix event, riders must compete on a MNZ Mini Licence.
- 15.17c The New Zealand Nationals, North or South Island & New Zealand Grand Prix events shall consist of a minimum of three and a maximum of five races (plus qualifying if necessary) held over either one or two days. However, no mini competitor shall race more than six races (plus qualifying, if necessary) in a single day.  
For avoidance of doubt, practice does not constitute a race.
- 15.17d The New Zealand Nationals or Island Motocross track must not be used for riding at least ten days prior to the event. Any competitor who breaches this rule shall be disqualified from taking part in the event.
- 15.18 **JUNIOR MOTOCROSS:**  
**Introduction:** Junior Motocross is intended to be an introduction to motorcycle sport, providing an outlet for youthful energies under controlled conditions. Motorcycle clubs are expected to take full responsibility for the training of prospective junior competitors and for the adequate control of races. In larger clubs, it would probably be desirable to appoint a Junior Motocross Committee. Parents are also expected to guide and assist their children to participate safely in and enjoy the sport. Clubs are expected to operate training sessions covering all aspects of riding and regulations pertaining to junior competition.

Entering the sport of Motocross may be new to many, it is important that you read this Chapter and also make reference to Chapter 8 which advises of all Safety Gear that is required.

15.19 **Licencing:**

All junior competitors are required to have a MNZ Club or Championship licence. Applications are made via the office of MNZ, or by way of 'online application'. A birth certificate is required with a first time application.

Before competing in a New Zealand or Island Championship event (Championship classes only) a rider must have competed in at least SIX MNZ permitted club events (three for ATV). Proof of this shall be from entries in the riders log book and can include up to a maximum of three one event licences (one for ATV). The original copies of the licences must be supplied – no reproduction copies.

15.19a Junior competitors age shall be from and including the eighth birthday until the seventeenth birthday.

15.19b When a junior licence holder reaches 15 years they may remain as a junior until their 17th birthday, or they may return their junior licence for a senior licence.

15.19c a) Subject to rule 15.19c(b), except for those turning 17, in age based competition, the age of a junior competitor on the first day of an event or series shall determine his/her age group for that event or series.

b) If a junior competitors birthday falls during an event or series (s)he may commence and complete that event or series in the next age group. However, nothing in this rule shall entitle a junior competitor to ride in the 125 classes under age 12.

15.19d Where a Juniors birthday falls during a consecutive multi day event the competitor may complete that event, in that class.

15.20 **Motorcycle Capacity Restrictions:**

The maximum machine capacity is 200cc 2 stroke & 300cc 4 stroke.

To ride a 126cc – 200cc 2 stroke or 250cc – 300cc 4 stroke machine the rider must be a minimum age of 14 years.

15.21 **Number of Starters:** The number of starters in any one class can be up to 30. However upon application to MNZ any request to a maximum number of 40 riders can be lodged. This application will only be granted with full agreement of MNZ, the club, and the Steward of the meeting.

15.21a The intermixing of classes/age groups is permitted but the total number of riders can not exceed 30 (no exceptions). The intermixing is at the discretion of the steward.

- 15.22 **Rider Assistance:**  
This is limited to lifting a fallen rider's machine only and pointing it in right direction and restarting the motor. No outside pushing is permitted to assist the rider.
- 15.22a Prior to starting an event, a junior competitor may be required to demonstrate their ability to lift their motorcycle, engine not running, from the horizontal position without any outside assistance. The competitor must then mount their machine without assistance. Failure to complete either of both of these tasks may result in exclusion at the discretion of the Steward.
- NZ AND ISLAND JUNIOR MOTOCROSS CHAMPIONSHIPS and NZ MOTOCROSS GRAND PRIX**
- 15.23 **New Zealand and Island Junior Motocross Championships and New Zealand Motocross Grand Prix:**  
Classes see Appendix A
- 15.23a The New Zealand Junior Motocross Championship shall be run over a minimum of two days.
- 15.23b The New Zealand, North or South Island or New Zealand Grand Prix Championship track must not be used for riding at least ten (10) days prior to the event. Any competitor who breaches this rule shall be disqualified from taking part in the Championship event.
- 15.24 **Track Safety:**  
Course indicators are used they must be of sufficient height and design to be clearly visible to competitors at speed and as far as possible be coloured red on the right and white on the left.
- 15.24a A Motocross track must be constructed or laid out with the safety of the riders foremost in mind. Hay bales or other shock absorbent material to protect the riders from dangerous obstacles must be used.  
Special consideration must be given to the angle of jump faces and landing zones.  
  
The race course shall have a minimum of 3 meters distance between racing sections of the track. If this cannot be adhered to due to track confinements, hay bales or other absorbent material must be used to separate the course. Where pegs are used to mark out tracks, the pegs are to be placed with a slight lean away from approaching riders.
- 15.24b **Watering of the Track:** Where possible the track must be properly watered if necessary in ample time before and between races to ensure proper racing condition, complete safety and to protect the public and riders from dust.

- 15.24c** The track width for New Zealand or North or South Island Junior Motocross Championship and New Zealand Grand Prix events shall be a minimum of five (5) meters, except in a chicane for lap scoring purposes.
- 15.24d**
- a. Altering of track in front of the gates by a rider or his entourage will be deemed altering the track in terms of these rules and is not permitted.
  - b. Where ruts are in front of the start gate it is the responsibility of the starter of the meeting to have these corrected if they are deemed dangerous.
  - c. Behind the center pole of the start gates is also under the control of the starter and may not be altered without the express permission of the starter. Alterations made without the approval of the starter will be deemed altering the track under the rules.
  - d. A line and/or bunting is to be placed 4-metres behind the rear of the start gates and all persons other than the riders must retreat behind this line prior to the 10-second board. The Starter shall not start the race until such time as all riders' entourage and assistants are behind the 4-metre line.
  - e. No person other than the starter and/or their assistants shall re-enter the 4-metre area after the 10-second board until all riders have left the start gate. This area is deemed to be under the starter's control and only the starter and/or their assistants can enter it to relieve a rider for any reason i.e. engine failure, stuck under the gate etc. Failure to comply is already covered by the rules as outside assistance.
- 15.25** **School Events:** These shall be run under MNZ MoM'S regulations and in accordance with section 15.18 Junior Motocross. For National and Island Events, classes will be as the MNZ School Guidelines, see Appendix D.
