Although the fields were not large the competitors attacked the varied tracks provided by the three Motorcycle Clubs with enthusiasm and style. The tracks varied from Hawkes Bay's rolling to steeper farmland with creek crossings, Cambridge's Waimiha event in the forest, to Te Puke's Whakatane event on farm land with short sharp bulldozed hill climbs.

All the riders seemed to cope well and enjoy the events. It was good to see an injury free series.

Congratulations again to the winners for their outstanding rides and thank you to all the competitors who attended, you all rode well.

You all rode well and we hope to see you again next series.
