 - 4.3.5.5 Any objections raised by any Member Club.

In terms of becoming an Incorporated Society we suggest that you refer to their website for the relevant information <http://www.societies.govt.nz>

We also advise you take a look at our Manual of Motorcycle Sport to assist you with your decision to apply for affiliation. Our Manual can be found on our website under information/competition rules.

As there is no application form, as such, we recommend that after ensuring you meet all of the criteria you send a brief outline of what your Club has been doing, include the reasons in which you would like to become affiliated to Motorcycling New Zealand.

Upon sending your written application to Motorcycling New Zealand, including a copy of your Incorporated Societies and a copy of your Rules/Constitution, this will be circulated to the Board for their perusal and decision.
