

19 OVAL TRACK

19.1 INTRODUCTION:

There are 4 types of oval track racing recognised by these rules. They are -
Club Speedway
Grass Track (1/4 mile) 400m
Long Track
Short Circuit Flat Track

19.2 JURISDICTION:

MNZ Competition licences are required for all oval track racing permitted by MNZ. Oval track racing is also controlled by the 'referee' system. Apart from the steward of the meeting the referee controls all aspects of actual racing. That is to say that once the competitors machines leave the pit area onto the track until they return after the race all competition is under the referees control. Any protest against the referee must be made to the steward of the meeting. Please note however that "no protest can be made against a statement of fact pronounced by the referee".

19.3 DUTIES OF A REFEREE:

19.3.1 Accompanied by the steward, he/she must inspect the track and safety barriers before practice and the meeting begins.

19.3.2 He/She must ensure that all his/her decisions which effect or vary the published programme, such as exclusion of a competitor, postponement of a race etc. are communicated immediately to the steward for action.

19.3.3 The Referee must confine his/her duties to refereeing and he/she must NOT undertake additional duties during a meeting.

19.3.4 a. A Referee has the authority to issue a reprimand.
b. Fine up to \$50 (Fifty Dollars).
c. Exclude a competitor from a particular race or meeting.
d. He/She may relegate or promote race positions.

19.3.5 Control the two minute bell.

19.3.6 He/She will enforce all regulations pertaining to the actual racing.

19.3.7 A Referee may, after making such enquiry's as he/she may consider necessary, postpone, stop or cause to be abandoned a meeting or part thereof, only after consultation, where possible, with the Clerk of the Course and Steward.

19.3.8 He/She shall start motorcycle events if another starter has not been delegated in the position, who so ever does the starting will also operate the green light indicating a start is imminent.

19.3.9 UNLESS OTHERWISE PROVIDED IN THESE RULES, if an accident has occurred, and in the opinion of the Referee it would be dangerous for the race to

continue he/she shall cause the race to be stopped by giving the stop signal, and the race shall then be run or re-started.

The Referee and Steward are only empowered to stop a race, and no other official shall initiate the 'stop' signal during the course of a race.

- 19.3.10 He/She shall penalise immediately a competitor who in his/her opinion indulges in foul, unfair or dangerous conduct including any competitor who steers or drifts from his/her course in such a manner as to impede any competitor who may be attempting to pass, or in the case of a non-team event, jeopardising the fair chance of one or more of other competitors.
- 19.3.11 He/She may immediately penalise any competitor who, in his/her opinion, crowds, or bores whether intentionally or not, or otherwise indulges in any foul or unfair practice during a race.
- 19.3.12 The referee must make himself/herself conversant with the Racing Rules of the particular class(es) racing at the track.
- 19.3.13 The Referee is responsible for displaying the Black Flag during warm ups he/she can however delegate this to the Clerk of the Course.
- 19.3.14 He/She shall be entitled to forbid the access to his/her box by any person during the meeting and nobody shall approach him/her without his/her permission.
- 19.3.15 A Referee has the duty to respect the right of drivers who consider themselves to be unjustly penalised, to expect a reasonable and courteous explanation.
- 19.4 DUTIES OF THE STEWARD
- 19.4.1 To see that the rules of MNZ are carried out in conjunction with the referee.
- 19.4.2 He/She must be in attendance at any official practices and official meetings.
- 19.4.3 Be responsible for the examination of protective equipment of the competitors and all fire fighting equipment.
- 19.4.4 He/She shall ensure that control lights and communication apparatus, including flags, are in order.
- 19.4.5 To ensure that all aspects of Chapter 6 'Conduct of Competitions' are controlled in a proper manner where, in his/her judgement, they apply to oval track racing.
- 19.4.6 To ensure all aspects of the MNZ Manual are adhered to.
- 19.4.7 Classes – See Appendix D.**
