## Motorcycling New Zealand - 2016 NZSBK Championship

**Reminder that entries close for Round One of the 2016 NZSBK Championship close tomorrow, 17<sup>th</sup> December 2015.**

You can enter on-line for this Championship. When entering on line the information from your MNZ Licence profile is used, therefore we encourage you to go on line and check that all of your information is up to date this includes your motorcycle its capacity along with your sponsors, as this information will show in the official programme for the event. If you update any of this information after entering the event you will need to contact Motorcycling New Zealand to advise us of the changes you have made.

To check all of your information is up to date simply log into your licence file using your assigned username and password, if you have forgotten these you can request them using the following link: [Request Username & Password](#)

As previously advised there have been some changes to the format of the Championship in terms of the final round to be held at Hampton Downs hosted by the Auckland Motorcycle Club, this will now only be held over two days rather than the three previously advertised however, there will be four races for the Championship classes. The Supplementary Regulations outline the race format for each of the four rounds.

We are also pleased to advise that all of the Clubs have worked together to bring you a discounted entry fee for Championship classes if you enter and pay for the entire series at once, this gives you a 10% discount from each of the rounds.

Please note; some support classes cannot be entered using the on-line entry system you however, can enter these by using the paper entry forms below.
