## Motorcycling New Zealand - 2017 Officials Training Seminars

We are wanting to finalise the Officials Training Seminar dates for 2017.

If your club would be interested in hosting a seminar please contact Andrew Present at [officials@mnz.co.nz](mailto:officials@mnz.co.nz)

Remember that as per rule 3.2 in the Manual of Motorcycle Sport, all Officials are required to attend a formal training course at least every two years.

We would like to include in these seminars any event organisers you use and also any admin people. Although this is not compulsory we believe the first half of the training would be of benefit to these volunteers.

Click [HERE](#) to view the requirements for hosting a seminar.
