

## Motorcycling New Zealand - Board Member Vacancies

Motorcycling New Zealand is seeking applications for five positions on the Board. Under the terms of the Constitution the existing Members are eligible for re-election; they must go through the nomination process as per the MNZ Constitution.

The five Board Positions are:

- Off Road South Island
- North Island Representative
- South Island Representative
- Road North Island
- Road South Island (Please Note this is a One Year Term)

To be eligible for election as an Island Representative, the member must be nominated and voted for by full members residing in the Island represented at the time for the election.

All Officers shall be full members (and not an Affiliated Club) at the time of their nomination and election.

The Board is a Governance Role, Governance is the process by which ensures the organisation complies with all legal and constitutional requirements, sets strategic direction and priorities. It also sets high-level policies and management performance expectations, characterises and oversees the management of risk, and monitors and evaluates organisation performance in order to exercise its accountability to the organisation and its owners.

The Board does not control the sport directly. The Commissioners run the sporting codes and the administrative office is in charge of day-to-day operations and supports the commissioners and member's needs.
