

Motorcycling New Zealand - Commissioner Applications Open

Motorcycling New Zealand is seeking volunteer Commissioners for the following areas of our sport:

- Officials
- Motocross
- Enduro
- Recreation & Leisure

Officials Commissioner:

The role of Officials Commissioner would commence end of April 2015, however the successful incumbent would work with the existing Commissioner leading into April to ensure a smooth hand over of the role.

The Officials Commissioner role is integral to the sport of Motorcycling and supports the many Officials through out New Zealand, not only in the training but also in providing support and advice to them to ensure consistency through out the country.

A full job description for this role is available [here](#)

[Officials Commissioner Application Form](#)

Motocross Commissioner:

The role of Motocross Commissioner would commence at the end of March 2015, however the successful incumbent would work with the existing Commissioner during the months leading into March to ensure a smooth hand over of the role.

The Motocross Commissioner role takes care of all aspects of Motocross from Mini through to Veteran, including the allocating of the Championship events and overseeing the selecting of the Motocross of Nations Team.

Currently the Motocross Commissioner has in place support of others in support/co ordinator roles who make up certain parts of his Commission, we would encourage this to continue.

The role of Motocross Commission is guided by the [MNZ Commission Terms of Reference and Operating Principals](#).

Enduro Commissioner:

The role of Enduro Commissioner would commence immediately, the successful incumbent would work with the Enduro Championship Co ordinator, to ensure the smooth running of the Championship series.

The role of the Commissioner is guided by the [MNZ Commission Terms of Reference and Operating Principals](#).

Recreation & Leisure:

The role of Recreation & Leisure Commissioner would commence immediately. Of specific importance for this role is to see the final completion of the Trail Ride Marking DVD and Guidelines to ensure all MNZ Trail Rides are being held to the same high standard.

In the future we also see this role incorporating the Leisure side of the sport incorporating road rides to MNZ events.

The role of the Commissioner is guided by the [MNZ Commission Terms of Reference and Operating Principals](#).
