Motorcycling New Zealand - Officials Newsletter - December 2014

Hi Everyone

Hasn't the year rushed by!

Officials Training has now finished for the year and I am currently reviewing Training for next year. Going forward any comments/suggestions would be welcome.

I would like to congratulate Jim on his new appointment as FIM Oceania President and wish him all the best for this role. If you haven't already heard Glen Williams (Board Member) is currently the acting MNZ President.

Most of you would have seen the email regarding the restricted riders list. This is a list of names now live on the MNZ Website of all who are unable to purchase a One Event Licence due to a current injury or enquiry. If you do not have a username and password to access this list please email admin@mnz.co.nz

It is now really important to send your Steward Reports into the Office as soon as possible after the Event as this list will need to be updated with any injured riders. Don't forget as per rule 6.2 all OEL copies and rider licences' must be sent into the Office for any accident involving Hospital attention.

I wish you all a very Merry Christmas and a Happy New Year

Talk to you in the New Year.

Cheers

John Tootell
MNZ Officials Commissioner
