

Feedback requested on Medic & Trail Ride Safety Guidelines

As per the discussion held at the Secretaries Workshop at the MNZ AGM last month, we would like your club to take the time to open and read the below documents and provide feedback by the end of July.

Feedback is to be emailed to Virginia at gmo@mnz.co.nz, however do not hesitate to give her a call to discuss these documents.

Please note these are guidelines only and are in draft form awaiting clubs feedback. Our goal is to provide a consistent level of medics at events; MNZ want to work with clubs to ensure this is achievable and affordable before being implemented.

Thank you for taking the time to review these documents and we look forward to your feedback.
