

Motorcycling New Zealand - Information Bulletin Mini & Junior Motocross

With the upcoming Mini Motocross Championship events as well as Major Junior Championships we have been fielding an increasing number of enquiries around the requirement of having competed in at least six MNZ permitted Club events prior to competing, for which proof shall be from the riders log book.

Given that many riders have been competing on One Event Licences, via this bulletin we are providing clarification around the requirements of having the six MNZ permitted events noted in the log book.

To make up the required six permitted events, there is allowance for a competitor to use three One Event Licences as proof of events, copies of the One Event Licences must be stapled into the front of the logbook. For the remaining three events there must be entries from MNZ permitted events in the logbook.

Junior Motocross - 250cc 4 Stroke

Recently we have also been fielding enquiries around the age limit for a rider to compete on a 250cc 4 Stroke machine. As per the Championship classes in the MNZ Manual of Motorcycle Sport, a rider must be at least 14 years of age before competing on a 250cc 4 Stroke.

If at any stage you have any queries please do not hesitate to contact the MNZ Office; phone 07 8287852 or admin@mnz.co.nz
