

MNZ ANNOUNCES ROAD RACE BLOG

MNZ announces Road Race Blog site: <http://mnzrrc.blogspot.co.nz/>

MNZ Road Race Commissioner Greg Percival with assistance from Ian Dawson and the MNZ Office have created a blog site dedicated to all things road racing.

Greg says "I wanted to get as much information and feedback from our recent workshop at the AGM out to as many people as possible for comment and to help prioritize what needs to be worked on first"

Initially set up into the six categories identified at the workshop, we hope this will focus Road racing in New Zealand to a single source of up to date views and initiatives.

Please check out the blog and have your say!
