

Motorcycling New Zealand - Club Update

Fee Increases:

In budgeting for 2015 Motorcycling New Zealand reviewed all fees, there are some fee changes to take place effective 1 June 2015.

One Event Licences:

The fee to Clubs for One Event licences will increase from \$20 incl GST to \$25 incl GST. The last time the fees changed for these licences was three years ago in 2012. There is no RRP on the licences Clubs are able to on-charge these as they see fit. We remind Clubs that a *first time competitor* who has purchased two one event licences, can apply for a MNZ licence and obtain a \$30 discount should they send their one event licences (blue copies) with their licence application.

We would encourage Clubs to remind purchasers of One Event Licences this opportunity, as there seems to be a lot of riders purchasing One Event Licences week in week out.

Free One Event Licences:

In 2012 we introduced free One Event Licences that Clubs could apply for these were used as an introduction for Club events and also for School events. These have been reviewed and due to the administrative work involved with these events charges will be introduced.

Rather than all One Event Licences being free the change is the first 50 licences will be free and then there will be a charge of \$15 incl GST for all licences thereafter. The 50 licences are limited to a total of 50 per Club per year (1 January to 30 December), applications for free One Event Licences and the subsequent \$15 licences shall be made at the time of applying for the permit.

Please see the application form which must accompany each permit application, the licences will be approved or declined prior to the permit being issued.

Street Road Race Permits:

Due to the increase in administration required to issue a Street Road Race permit the fee is to increase to \$300 incl. GST.

Additional Information:

The fee increase does not apply to any One Event Licences already purchased (or purchased prior to 1 June 2015). Free One Event Licences that have already been approved will not be changed by the above.

The fee increase does not apply to any Street Road Race permits that have already been issued.
