

Motorcycling New Zealand - National Survey for MNZ Riders

Dear MNZ rider,

A month ago an invitation to participate in a free survey on “Preparation practices of riders” was sent to you by MNZ. About 200 riders have already completed this 10-minute survey and we would love to strengthen the findings by enlarging the sample size.

In case you have not completed the survey, this is a friendly reminder that we would like to invite you to participate and reflect on your preparation practices and potential areas for improvement.

In a joint effort, AUT, WIL Sport and MNZ are promoting this study, which aims at better understanding how competitive riders currently prepare to compete.

Your survey participation will be completely anonymous and the group findings will be most useful for riders, coaches, trainers and motorcycling federations, who's goal is to develop and improve the performance and safety of the human side of motorcycle competitions.

We would like to warmly thank all the riders that have completed the survey and kindly invite you to disregard this second invitation.

Please click on this link to complete the survey:

https://docs.google.com/forms/d/1taSFEw4HyAwAiBDktGFf-Y5FeoGji1XUffJ4H9DKPk/viewform?usp=send_form

Your cooperation is much appreciated.

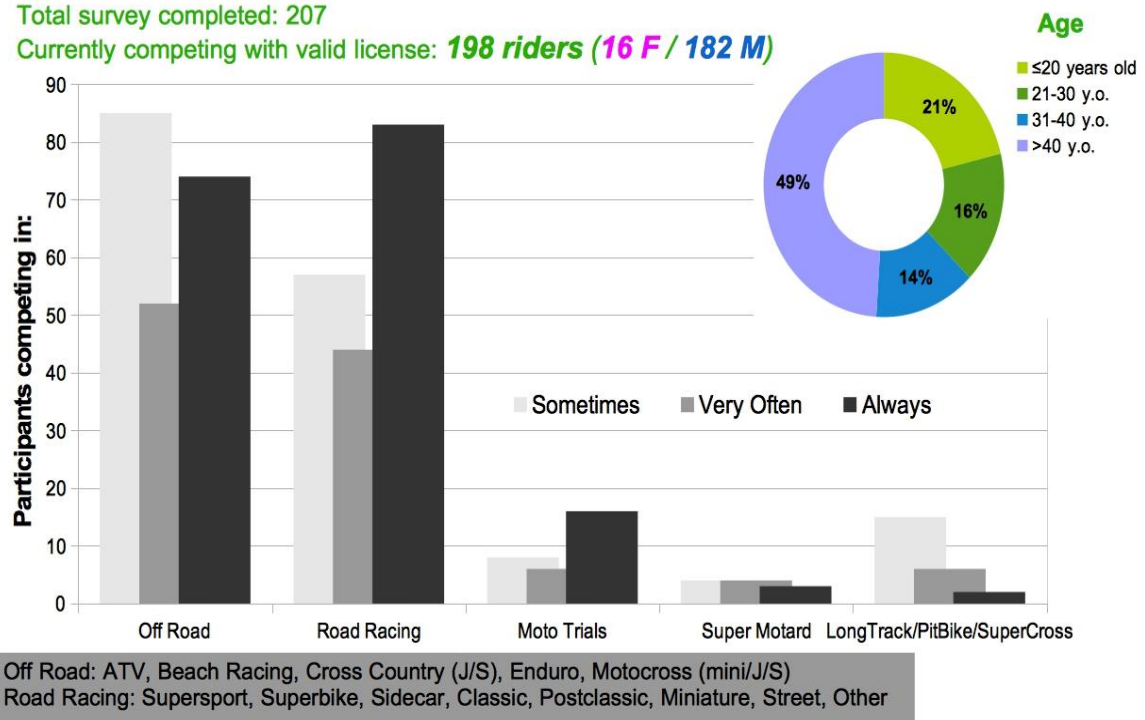

Survey on Preparation Practices of Licensed MNZ riders

Update: 16 Nov 2015

Total survey completed: 207

Currently competing with valid license: 198 riders (16 F / 182 M)

Best Regards

Emanuele D'Artibale, Ph.D.
 Performance Specialist, Motorcycle Road Racing
