Motorcycling New Zealand - Officials Newsletter June 2014

Hi Everyone

Firstly I must say on behalf of MNZ thank you very much for all the work you have done in the past year. I know a lot of you spend hours and hours for the sport with very little reward, thank you once again.

With the AGM/Conference now over we need to move on from my perspective. It was a very good Conference, congratulations to the new Board Members I look forward to working with you. Commiserations to Paul and Dave who lost their seats.

Please use the following link to view my Commission Report from AGM - [Officials Report 2014](#)

With a new Licence year now upon us please make sure that all Licences are signed by the rider, you would be surprised how many I find not signed 6-8 months into the year. Another issue we seem to be having is riders not wearing Body Armour. I believe we need to go down the row and check them with a pat on the back, if they don't have it on they don't ride – no exception!!

One problem that some of us are having is noise; make sure your Club has its noise tester at all events. I suggest for a reference that you set up a noise register. Check on the boundary of the closest neighbour and record it. This will help you later on when there is a complaint.

Training: Dates are out, click [here](#) for a Registration Form. Please note the nearest one to you, mark it in your diary and get your Registration Form into Monique at the Office. Look forward to meeting you there.

Reports: We need you to write more comments on your Steward and Clerk of Course Reports i.e. how the meeting went, how well did you get on with the people running the meeting, any conflicts with riders parents etc. If any rider wants to put in a Protest, you accept it and go through the right process, put it in your Report and advise us of the outcome and any comments.

If you have things that you have seen or done and would like to share them with others please email me officials@mnz.co.nz and I will add them to the next newsletter.

We are currently updating our records, please fill out the [questionnaire](#) and send it back

today not tomorrow as we all know it doesn't come.

If you know of anyone who did not get this Newsletter please drop us a line. Remember the email address – officials@mnz.co.nz or the 0800 number 0800 669 245.

Until next time keep up the good work!

Cheers John
