

Motorcycling New Zealand - Call for Trainers

We are looking to change and improve the Officials training, to make training more accessible we would like to have trainers in each region that way training can be held on a as required basis rather than waiting once a year for training to come to a region close to you. Ideally we would be looking for at least two trainers in each region.

We need your help, are you a Grade 4 Steward or Clerk of the Course who is interested in training new officials. You would be firstly attend a training seminar yourself which would give you all the tools required to undertake the training of new and grade 2 officials, and to be able to assess current officials by carry out practical in field assessments. There would be some travelling required through out your region, all reasonable out of pocket expenses will be reimbursed as this is a volunteer role.

If you are interested in these volunteer roles, you can apply by downloading the application form on the MNZ website under Officials Resources. All applications will be reviewed by the Training Standing Committee, who will contact you directly upon receipt of applications.
