

Motorcycling New Zealand - Proposed changes to MNZ Licence Structure

As you may be aware the Board of Motorcycling New Zealand have discussed the possible changes to the MNZ Licence structure, this was first presented at the 2014 AGM and since then further work has been completed around costings and the structure.

To be able to move forward to the next stage of this project work needs to be completed to enable quotes to be sought on the proposed system. However, we need the input from our Clubs and Officials to ensure that we are meeting the needs of both Clubs and Officials as well as competitors.

We see ourselves targeting Clubs of varying sizes and officials from various grades to assist with this project. It would be expected that we would either meet, hold telephone/skype conferences and communicate by email to discuss this project further.

In order for us to contact the correct person in your Club that would be involved in this project would you please complete the [registration form](#) on our website, by Friday 5th December 2014.
