

Motorcycling New Zealand - Rule Change Notification

Proposed rule changes were placed on the MNZ website, after feedback the Commissioners reviewed their proposed rules and in some instances changes were made. The rules then went to the MNZ Board for ratification.

As previously advised there has been a delay with the implementation of the rules, we sought clarification around the legality of the delay and be assured there are no implications to anyone around the delay.

A summary of the rule changes (in rule order to assist you) are available by clicking [here](#).

The updates to manuals are being sent to all officials, and competitors that have manuals. The changes to the chapters will also be placed on the MNZ website – under Regulations/Rules on the 1st of September.
