Motorcycling New Zealand - Rule Changes Fuel Testing & Fuel Specifications

MNZ would like to advise of the following rule changes effective immediately:

10.16b (Off Road) - Replace FTIR Analyser with Digatron DT-47FT

10.17 & 10.17a (Off Road) - Replace Appendix E with Appendix B

[Appendix B - Fuel Specifications \(Off Road\)](#)

Please note changes are indicated in Red

[Appendix D - Fuel Specifications \(Road\)](#)

Please note changes are indicated in Red

Please update your Manual of Motorcycle Sport to include these changes
