

2019 Secretaries AGM Workshop

Welcome

Run through Agenda

As you are aware, MNZ is now insured through AON.

Clubs and members always have questions regarding insurance so we have asked Jason from AON to put together a document that we hope will answer most of these questions. Keep in mind that this will be a draft document and we would welcome any feedback. The document will explain who is covered, what is covered and insurance around forestry and fires.

Clubs need links on the MNZ website for the following:

- Secretary's Manual pages

- Incorporated Societies List

- Charities Commission for Funding

Clubs asked if the office could make up a template of the CSV file needed to upload financial members into the MNZ App.

For now the OEL is still only available by the paper form. The online option of purchasing an OEL will be available in the future.

A funding help document was given to all at the workshop.

It was asked if a helmet sticker was still being looked into.

It was asked if clubs needed to be GST registered, answered that only necessary if the club income is over 60K.

It was asked if a quarterly skype call with all clubs would work at all.

SECRETARIES 2019 AGM WORKSHOP ACTIONS

	Discussion Points
1	Links for website
2	Template of CSV file for uploading Financial members
3	Ask clubs to send in any questions and the answers published in the next newsletter
4	Helmet sticker review
